Network: Advantage Plus

Benefits

- Authorization for orthodontic services is required.
- Blue Dental benefits are the same for in- and out-of-network.
- Assignment of benefits can be made to pay out-of-network providers directly, preventing advance payment by member.

Network

- Visit www.bcbsla.com/FindCare and select Blue Dental to find an Advantage Plus Network provider.
- Online scheduling allows members to schedule appointments directly from the “Find a Doctor” webpage in real time. Just look for the red “Schedule Now” button.
- Some providers accept allowances for certain non-covered services even when the member’s annual maximum has been met. Look for the black box (■) on our online directory.

ID Cards

- A combined ID card is issued for members with both medical and dental.
- Members should show ID card with Advantage Plus Network to dentist at time of service.
- The Customer Service phone number can be found on the back of the ID card.
